

If you will be driving to campus each day for the Bennion Workshop, we have made the following arrangements for parking. *(For those who have participated in Bennion in the past, please note the changes to parking locations for 2018).*

- Parking will be available in the **Orange** lots, east of the University Inn (see map).
- You can purchase a parking pass for \$20 for the entire week in the Orange lots.
- The pass for the week may be purchased on Monday morning beginning at 7:30 am at the Visitor Information Booth located on 700 East and 600 North at the entrance to the Aggie Parking Terrace. *(Please note: There is a lot of road construction in the area so allow time and follow the attached instructions (see map below) to avoid any closed roads to the Visitor Information Booth).*
 - Travel north on 400 North towards the university.
 - Go up the hill and turn left on the 1200 East
 - Turn left at the first light onto Aggie Blvd. (700 North)
 - Aggie Blvd. curves left and becomes 700 East
 - You will be able to turn left at the Road Closed sign and pull up to the booth.
- Tell the attendant at the drive up window your name, that you are attending the Bennion Workshop for the week, and need to purchase a pass for the Orange lots.
- Once your pass is purchased, go back up the hill which curves onto Aggie Blvd. (700 North), and follow the campus parking map to the Orange parking lots. Be sure that your pass is displayed in order to avoid a parking ticket.

Parking will also be available on a space available basis at the Aggie Terrace or the Big Blue Terrace for \$1.50 per hour or \$7.50 for the entire day. There are no in/out privileges at the Aggie Terrace or Big Blue Terrace during the day. A parking stub will be issued *each* time you enter the terrace and payment will need to be made *each* time you exit. Please feel free to email mwc@usu.edu if you have any questions or need further directions.
